EDUCATION

- **2020-2024**
  BE-Information Technology
  D Y Patil College of
  Engineering Akurdi,Pune.
  Grade - 7.95

- **2020**
  HSC
  Enzo-chem Junior College Yeola.
  Grade - 75%

SKILLS

- **Programming Languages**
  | Python | SQL | C++ |

- **Tools and Frameworks**
  | Django | FastAPI | PySpark |

- **Databases**
  | MySQL | PostgreSQL |

- **Python Libraries**
- Pandas, NumPy, BeautifulSoup
  Seaborn, Matplotlib, Sci-kit-learn,
  Requests. Also proficient in data
  preprocessing,
- Exploratory data analysis NLP,
  data visualization, and web
  scraping.

COURSE WORK

- Python-Udemy
- ML and Data Science-Udemy
- SQL - Udacity
- C++-LearnCodeOnline
- Django-LearnCodeOnline

ABOUT

- Software developer, skilled in Python, Django, and SQL. Looking to start a career as an intern.

PROJECTS

1) Heart-Charity- web app

- Web application for a charity organization. Users can help each other by joining it. Added functionality like a login feature payment gateway and other.
